Dear Vendor ~

Applying for Prairie Arts is easy! Apply and pay online at www.prairieartsfestival.org, download the application from the website, or contact our office to have an application mailed to you.

For first time vendors are required to submit pictures for a completed application. Returning vendors please include updated pictures of your items and/or booth set up. We need pictures for several reasons: First, it determines your acceptance into the Festival and best booth placement of your merchandise; and second to promote the Festival on Facebook and various media sources so it's a successful day for everyone. Email pictures to lklutts@westpointms.org or include your Facebook page if you have one.

First deadline is 7/31/2022. **If you are a returning vendor, you will have priority for your same booth space from last year until 8/1/2022. We will continue to take applications after August 1st based on booth availability.** Due to the large number of phone calls our office receives we do not hold space without an application and booth fee. An application is considered complete once payment and pictures are received with your application, then a booth assignment can be made. Refunds are at the discretion of the Prairie Arts Committee, and no refunds will be given the week of the festival or for inclement weather. The Prairie Arts Festival has very limited number of booths available for resale items, and once they are full no exceptions will be made. The Park is reserved only for juried fine artists and handmade craft vendors. A full list of rules and set up information will be included when we mail booth assignments August 1st. We are happy to answer any questions you have about applying or attending the Festival so give us a call or send me an email!
